The Chinese Government having (through the Hon. Anson Burlingame) conceded to this Company the privilege of connecting the great seaports of the Empire by submarine electric telegraph cable, we propose commencing operations in China, and laying down a line of nine hundred miles at once, between the following ports, viz:

	Population.
Canton	1,000,000
Macoa	60,000
Hong-Kong	250,000
Swatow	200,000
Amoy	250,000
Foo-Chow	1,250,000
Wan-Chu	300,000
Ningpo	400,000
Hang Chean	1,200,000
Shanghai	1,000,000
Total	5,910,000

These ports have a foreign commerce of $900,000,000, and an enormous domestic trade, besides which we have the immense internal commerce of the Empire, radiating from these points, through its canals and navigable rivers.

The cable being laid, this company proposes erecting land lines, and establishing a speedy and trustworthy means of communication, which must command there, as everywhere else, the communications of the Government, of business, and of social life especially in China. She has no postal system, and her only means now of communicating information is by couriers on land, and by steamers on water.

The Western World knows that China is a very large country, in the main densely peopled; but few yet realize that she contains more than a third of the human race. The latest returns made to her central authorities for taxing purposes by the local magistrate make her population *Four hundred and Fourteen millions*, and this is more likely to be under than over the actual aggregate. Nearly all of these, who are over ten years old, not only can but do read and write. Her civilization is peculiar, but her literature is as extensive as that of Europe. China is a land of teachers and traders; and the latter are exceedingly quick to avail themselves of every proffered facility for procuring early information. It is observed in California that the Chinese make great use of the telegraph, though it there transmits messages in English alone. To-day great numbers of fleet steamers are owned by Chinese merchants, and used by them exclusively for the transmission of early intelligence. If the telegraph we propose connecting all their great seaports, were now in existence, it is believed that its business would pay the cost within the first two years of its successful operation, and would steadily increase thereafter

No enterprise commends itself as in a greater degree renumerative to capitalists, and to our whole people. It is of vast national importance commercially, politically and evangelically.

☞ The stock of this Company has been unqualifiedly recommended to capitalists and business men, as a desirable investment by editorial articles in the New York *Herald*, *Tribune*, *World*, *Times*, *Post*, *Express*, *Independent*, and in the Philadelphia *North American*, *Press*, *Ledger*, *Inquirer*, *Age*, *Bulletin* and *Telegraph*.

Shares of this company, to a limited number, may be obtained at $50 each, $10 payable down, $15 on the 1st of November, and $25 payable in monthly instalments of $2.50 each, commencing December 1, 1868, on application to

GEARY'S SOLILOQUY.

AIR—*Captain Jinks.*

I'm Governor "Hans" of the Keystone State,
For lobby jobs I sit up late,
I leave the people to their fate,
For I am Governor Geary.
Oh! I'm the favorite of the Ring,
The jolly Ring, the jolly Ring,
I'm King of the Ring, I'm King of the Ring,
For I am Governor Geary.

Pete Herdic's bill in haste I sign.
To make Lycoming's delegates mine,
Oh! don't I play my game quite fine,
Since I am Governor Geary!
Yes, I'm the favorite of the Ring,
The jolly Ring, the jolly Ring,
I'm King of the Ring, I'm King of the Ring,
For I am Governor Geary.

I'm for the slipp'ry Oil Pipe bill,
I care not for Venango's will,
The Oil-men will not fill my till
Though I am Governor Geary.
Oh! I'm the favorite of the Ring,
The jolly Ring, the jolly Ring,
I'm King of the Ring, I'm King of the Ring,
For I am Governor Geary.

I love the boys who fold and paste,
And sign their little bill in haste,
Nor palter long about the waste,
For I am Governor Geary.
Oh! I'm the favorite of the Ring,
The jolly Ring, the jolly Ring,
I'm King of the Ring, I'm King of the Ring,
For I am Governor Geary.

I'm Governor "Hans" of the Keystone State,
My foes did Packer nominate,
I know 'twas done to seal my fate,
And I'll not be Governor Geary.
Oh! I'm the victim of the Ring,
The quaking Ring, the breaking Ring,
I'm the broken tool of the bursting Ring,
And I'll not be Governor Geary.

THE REGISTRY LAW.

What Must be Done in Order to Vote.

READ, EXPLAIN AND CIRCULATE!

See that Your Names are on the List.

To the Democratic Voters of Western Pennsylvania.

Your attention is directed to the following explanation of the Registry Law. Read it carefully, in order to ascertain what is your duty in the premises, and then see that your names are placed upon the assessor's list.

NATURALIZED CITIZENS

will see that the republican legislature has imposed *additional duties* upon them. Let them comply fully with the requirements of the law, in order that they may vote for the party which has always stood by them.

EXAMINE THE ASSESSOR'S LIST,

one of which is posted on the house where the election is to be held, and the other is in the assessor's hands. You have a right to examine them free of charge.

These lists should contain your name, and the names of all other qualified voters in the district; they should state if you are a housekeeper, the number of your house, the street it fronts on; your occupation; if you board, where and with whom you board; if you work for another, your employer's name; and opposite your name should be written the word "voter."

If you have been naturalized, there will also appear the letter "N." If you have merely declared your intention to become a citizen, the letters "D. I."

If you are between twenty-one and twenty-two years old, the word "age." If you have removed into the district since the last election, the letter "R." will appear opposite your name.

Make it your personal duty to see that your name is upon the list.

Do not trust this matter to any one else.

HOW TO GET REGISTERED.

If you find your name is not on the list, *go yourself* to the assessor, and make your claim to be put on. He is bound to add your name. He cannot question your right. You need not discuss the matter with him, your "claim" is enough. Give him also your precise residence, occupation, &c. He will mark "C. V." opposite your name.

ATTEND TO THIS AT ONCE.

If you delay until within ten days of the election, you may lose your vote.

NATURALIZED CITIZENS.

You must show your "papers" to the assessor, in order to get your names registered.

If you intend to take out your "last papers" before the election, you must show your "first papers" to the assessor.

See that your names are on the list.

Those of you who do not need to have "first papers," and intend to be naturalized before the election, should get naturalized first, *immediately*, and go to the assessor with your "papers."

All naturalized citizens must take their "papers" with them to the polls, unless they have been voting for ten years in the same district.

You must take your "papers" with you when you go to vote, even if your name is on the list.

Do not forget this or your enemies will deprive you of your vote.

TAXES.

The law in relation to the payment of taxes is unchanged. If you have paid neither a state nor county tax, assessed *within two years*, do it *without delay*.

Take your last tax receipt with you to the polls.

Do not delay registering or paying your taxes; attend to this matter *now*, for fear something may prevent hereafter.

THE CALUMNIATORS OF JUDGE PACKER.

The friends of Asa Packer have not deemed it necessary to turn aside and give indignant refutation to one half of the calumnies and libels which have been set afloat since his nomination for Governor. Most of these assertions were so utterly void of skill that they carried their own contradiction with them. There was one that he had refused to pay his taxes, when it is well known that this could not be without the guilty connivance of the assessors of the revenues, who are mostly radical partisans. The record of Asa Packer's entire life is too complete a refutation of the poor tale that he attempted to evade the payment of his debt to the government, or any other obligation. Then there was the malicious slander which originated here at Harrisburg in Governor Geary's office, that Asa Packer had subscribed the five hundred thousand dollars for the Lehigh University in order to enhance the value of his own land in the neighborhood of the institution. This falsehood contradicted, it was meanly asserted that Judge Packer did not really make the donation, but the Lehigh Valley Railroad Company. The Vice President of the railroad company emphatically contradicted this falsehood, and the enemies of Judge Packer were left without one first class slander that could be made available in the campaign, until the Lehigh *Register* recently came to the rescue of a dying cause with the following, which should be employed at once by tee *Commercial* of Pittsburg, which has lost no time in making use of all the other falsehoods to which we have referred. The *Commercial* need not pay the slightest heed to the complete refutation with which the falsification is met:

"ASA PACKER AS A BENEFACTOR.—Many men risen from poverty to affluence, and possessing little or no intellect, have looked at their wealth and realized for once that there are many other things to seek for in this world besides *money*. Among these other things is a name, a reputation, and the easiest, least laborious method of obtaining it is to endow a college. Asa Packer is one of this class. He endowed Lehigh University. It was purely a business investment. It increases immensely the value of the property in South Bethlehem held by him, it improved the place, it increased the business of the Lehigh Valley railroad, *and besides all this*, it won for him the reputation of being benevolent, and his name has been in every paper in this State and New York city as benefactor to his race. And even now, when he accepts a nomination at the hands of rebel sympathizers, immaculate Union journals are kind enough to cover up his sins by awarding him the honor of being generous. Those who know him laugh at the idea of his generosity. Here is one evidence of it. A noble engineer on a passenger train on Asa Packer's road saw danger ahead. He could have jumped from the engine and saved his life, and wrecked the train. But he stuck to his post heroically, was killed, but the train was saved. His widow, who had several children, and was left destitute, applied time and again, and piteously, to Asa Packer, for aid, and finally he told ner she could open a pea-nut stand at the Mauch Chunk depot, and he would not charge her any rent. Noble man!"

This slanderous libel devoid of a single grain of truth, says the *Carbon Democrat*, was brought to the attention of the widow referred to, and she immediately sought to correct the error into which she thought the editor had been henestly led. In the fullness of her heart she wrote him a letter, calculated to disabuse the minds of his readers, of the wrong impression formed by his article. But with a contempt for truth, only equalled by his confidence in the gullability of the readers for whom he caters, the editor refused to publish the widow's letter, preferring to let the lie stand. Failing to secure publication of the letter in the journal which first dragged her name prominently before the public, the widow furnished a copy of the same to the Allentown *Democrat*, from which we copy it that all may see the utter disregard for truth, and the recklessness to which our enemies are driven in circulating false charges against a man whose public record as a citizen or business man is so far above reproach, as to defy even an attempt by political opponents to find a blemish thereon:

MAUCH CHUNK, Aug. 23, 1869.

ROBERT IREDELL, JR.,

Editor Lehigh Register.—Dear Sir:—I have just come in possession of your paper of the 28th of July, 1869, in which you have an article headed "Asa Packer as a Benefactor," by which you do him great injustice, after paying a just and merited tribute of respect to my husband for sarificing his own life to save the lives of others. You say that his widow, who had several children, and was left destitute, applied time and again, and piteously, to Asa Packer for aid, and finally he told her she could open a peanut stand at the Mauch Chunk depot, and he would not charge her any rent. Now the above reproach is utterly untrue. Judge Packer never made any such a proposition and I feel it to be my duty, as well as an act of justice, to have this made public. You say that I "applied time and again." I had but one interview with Judge Packer; his manner toward me was kind and considerate, and while speaking of the conduct of my husband at the sad accident which cost him his life, he showed much feeling and said it was one of the noblest acts that he had ever heard of, and assured me that my family should be provided for. After the death and burial, all the funeral expenses and physicians's bills were paid, my house rent was paid for one year from that time. I was supplied with wood and coal for the winter, a sewing machine was sent to my house, and a beautiful shaft monument of Italian marble, with an appropriate inscription, enclosed in a substantial railing fence, was erected to the momery of my husband. And further, I have received twenty-five ($25) dollars per month, and am to receive that amount for a period of ten years from the time of his death. By giving the above an insertion in your paper, you will not only do an act of justice to Judge Packer, but will oblige one who has good reason to hold him in the highest esteem. Please send me a copy of your paper, with the above inserted, to Box 126, Mauch Chunk, Pa., and oblige,

Very truly,
MRS. JACOB MYERS.

THE RECORD OF JOHN W. GEARY.

HE MAKES WAR ON COURTS AND JURIES.

His Intimate Associations with the Ring.

The earnest attention of all citizens, irrespective of party, who are hostile to the corrupt ring which controls the legislation of Pennsylvania, is invited to an examination of the record of John W. Geary, in the office of Governor of Pennsylvania. Neither the Geary of dubious reputation in Mexico, nor the two-faced Governor of Kansas, nor the hero of the battle in the clouds, is before the people, but the Geary who has held for nearly three years the reponsible position of Chief Magistrate of Pennsylvania. The manner in which Geary has discharged his duties in his present office is what most nighly concerns the people, and they are not to be diverted from the most searching investigation of it, by the beating of any number of drums.

Geary has said with a hypocritical whine, that he could not control the legislative ring, and that any attempt on his part to check it would have led to the formation of "such a ring" as would have been perfectly dreadful. If this be true, then is there the most urgent necessity that the people shall chose an executive who possesses the honesty and courage to grapple with the spoilers, in the place of him who confesses his utter weakness and incapacity. John W. Geary's official record proves that he is one of the members of the ring—the very king-bolt in the chain of corruption—and there is, therefore, so much the greater the necessity on the part of the people to dismiss him from the high position which he holds. His confession, and his complicity with the ring, alike, render him unworthy of the confidence of the people of Pennsylvania.

It is needless now to repeat the familiar history of John W. Geary's disgraceful connection with the Herdic act. If his purpose had been merely to remove a judge who was obnoxious to some of his accomplices, the act might have been in time forgotten. If the effect would have been only to deprive for ten years the people of Lycoming county of their constitutional right to choose their own judicial officers, the offense might not have aroused much indignation in other portions of the State. The people of that county could have settled their score with the Governor in their own way. But this outrage did not affect the people of Lycoming alone. While it snatched from them the right to elect the highest judicial officer of their courts, and, in effect, crowded their dockets and caused vexatious delays of justice, it also assailed every judicial district in the Commonwealth. Had not the Supreme Court interposed, John W. Geary, by his corrupt signature of the Herdic act, would have furnished a fatal precedent to invite the ring to assail every honest judge in the State. Having completed the degradation of the legislature and the executive, they would have turned their attention to the intimidation or corruption of the judiciary—the last safeguard of the rights, the liberty, and the property of the citizen. For the accomplishment of his own selfish ends and to gratify the malice of another, he did not hesitate to abolish one of the courts of the Commonwealth, snatch from a judge his commission, deprive the people of a county of their constitutional right to choose one of their own public servants, and thus throw wide open the door for the admission of the greatest dangers to the State. He believed that powerful friends could avert the wrath of the injured and insulted citizens of Lycoming county. But whom did he imagine to possess sufficient power to save him from the indignation of the rest of the people, who were all attacked by the blows which he aimed at the county of Lycoming? When he and his followers had full time to contemplate the consequences of the act, to perceive the just contempt which it had brought on all concerned, they sought for some doorway of escape. Then it occurred to them to charge the responsibility on the Attorney General. But Mr. Brewster was not present at the time of the accomplishment of the act, and he did not hesitate to indignantly repudiate all connection with, or even knowledge of the outrage. While the people are about to gather in their majesty and their might to rebuke their faithless executive, he may have the opportunity to calculate what it has cost to invade the sanctity of their courts of justice, and lay his sacrilegious hand on the palladium of their rights. The approbation of the ring who assisted him in the perpetration of the Herdic iniquity will but poorly repay him for the loss of the respect of the people.

This was Geary's assault on the stability and integrity of the judiciary, the consequences of which the Supreme Court averted by timely and righteous interposition. Long before, he had made an attack on the sacred and inestimable right of trial by jury. By signing the act of April 4th, 1868, he took from the juries of the state the right to judge from the evidence of the extent of injury inflicted by railroad accident, and the amount of damages to be awarded. In signing this bill, John W. Geary undertook to say that three thousand dollars is the highest award that can be given for the loss of a limb, and five thousand dollars for death by rail. This whimsical attempt to fix the amount of damages which a jury shall award in case of railroad accidents is not the worst feature of this act. It is a dangerous invasion of the right of trial by jury. If the legislature can limit the award of a jury in all cases of railroad damages to three or five thousand dollars, it can reduce the amount to ten or fifteen dollars.—The right to fix a given sum by law implies the right to declare certain persons entitled to no damages at all, as Geary and the legislature have done in the case of postal clerks, baggage masters, express and mail agents and many other employees on or about railroads. It is not the great wrong which is imposed on the unfortunate victims of railway accidents that we are now considering, but the blow which is inflicted on the inestimable right of trial by jury, by Geary and the corrupt legislature of 1868. It has been well said that if the damages for accidents can be assessed by the legislature, there is nothing to prevent the legislature from limiting a recovery for the abduction of a wife or the seduction of a child for any injury to the person or property of the citizen. By affixing his signature to this act Geary gave at once the measure of his respect for trial by jury, and for the intelligence and integrity of his fellow citizens, as well as his estimate of the value of their lives and limbs. He, at the same time, gave a signal proof of the complete subjection in which he is held by the ring which controls the legislation of the State.

These two measures—the Calamity Act and the Herdic Act—are alone sufficient to difine the relations which John W. Geary occupies to the band of corruptionists who have poluted the statute books of the Commonwealth. The one attacked the Courts of the State, and the other invaded the right of trial by jury, and took from the citizen the protection which just laws have hitherto afforded him. This Calamity Act puts a price on the limbs and life of the citizen, and the Herdic act would have made honest judges of the courts dependent on the lobby for their offices. They are alike violative of every principle of law and right. In giving them his signature John W. Geary has furnished complete evidence of the cause which prevented him from arresting the corruptions of the ring. He is part of it and moves with it. With his certain decapitation, the ring igominiously dies.

RICHES A CRIME.

The Republicans abuse Hon. Asa Packer, Democratic candidate for Governor in Pensylvania, because he is rich, and, as they say, able to buy votes and control legislation with money. This is the only objection the Republicans have to a man who began life poor, and who by honest industry, bold undertakings, earnest enterprise and sagacious reasoning well worked to, succeeded in enriching himself and others by and through none but honorable exertions.

Why not object to other men who are Republicans and possessed of money?

Beast Butler is rich—thou shalt not steal.

Butler is a republican, but no Republican objects to him.

Senator Pomroy is rich—thou shalt not rob. Yet Senator Pomroy robs and is in high favor with Republicans.

Jay Cooke is somewhat wealthy—he is a republican—made his millions out of the Government in its dark hours. But it is all right.

Grant is rich—has begged and been given fortunes. He is a republican—he is orthodox.

Senator Jim Nye has begged fortunes from his friends and spent them in funny houses—he is a republican, and all right.

Look at the list of rich Republicans—men in high authority—men who have stolen millions—men like Geary, who have robbed State and people—men like the great mass of Republican leaders, who have robbed, plundered, stolen from dead and living, vandalized, plundered, murdered, and devastated, only for the purpose of gain and personal profit. Why not object to these men?

Why not object to the rotten, incompetent shoulder-strapped spoon-thieves, cotten-stealers, and furniture poachers, who sacrificed the credit of the country and lives of thousands of soldiers in the late crusade for cotton and niggers, and for bonds which enrich misers and impoverish labor?

Why not speak out against these loyal men who have grown rich by robbery, and who are the controlling persons in the Republican party?

Why, they think honest wealth a crime; dishonesty, fraud, corruption, and rascality a virtue, do these prowling thieves and apologists for knavery?—*Pomeroy's Democrat.*

FOR THE CAMPAIGN!

RALLY IN YOUR MIGHT!

Read, Think and Act!

Our appeal is to the intelligent, the candid and the independent. We ask only that people shall *understand* the issues before them, and that, understanding them, they reflect upon their duty in the premises and then discharge what they believe to be that duty when they come to cast their ballots. In order that the questions to be voted upon at the coming election, may be fairly and fully presented to the public, the BEDFORD GAZETTE will be furnished for the campaign, at the following low rates:

One copy	$0.50
Three copies	1.20
Five copies	1.75
Ten copies	3.00
Twenty copies	5.00

In all cases the cash must accompany the order. We respectfully ask the active men of our party to get up clubs for the campaign at every post-office in the county. In no other way can the good cause be more effectively supported than by the circulation of Democratic newspapers. It ought to be an easy matter to raise a club of twenty at any post office. Address MEYERS & MENGEL, Bedford, Pa.

GEARY'S PLATFORM.

Resolved, That we wholly approve the principles and policy of the administration of General Grant, and we heartily endorse every sentiment contained in his inaugural address, *and especially do hereby ratify and approve the late amendment to the Constitution of the United States proposed by Congress, known as the Fifteenth Amendment.—Radical Platform adopted at Philadelphia, June 24, 1869.—See Bedford Inquirer of July 2.*

ASSESSORS will not be elected at the coming election. Those elected last Spring will hold over until next year.

VOTERS remember there is no dodging the issue. If you vote the Radical ticket you vote for negro suffrage.

TAXPAYERS, remember that during Geary's administration, *thousands* and *millions* of dollars have been squandered and stolen from the State treasury.

FARMERS, remember that the cry of "no tax on real estate" is made only to catch your votes. Bedford county is called upon every year for her quota of State tax.

DEMOCRATS be sure that you are registered. Remember that Radical assessors will not hunt you up to register you. *Attend to this important matter, at once!*

A Radical paper says that its party motto must be "up and at 'em." It always has been upon the backs of taxpayers, and at their pocket-books.

THE new Registry Law requires the Polls to be opened between 6 and 7 o'clock A. M., and closed at 7 o'clock P. M. Election on Tuesday, October 12th.

Organize! Organize! Register! Register! SATURDAY, Oct. 2, is the last day on which persons can be legally registered or assessed. *Attend to this matter in time everywhere.*

THE township and borough nominations should not be neglected on Saturday next. Nominate the best men in the party. Let there be harmony and unanimity in making these nominations.

LET THE PEOPLE REMEMBER, that Longenecker and Stutzman deprived them from having a voice in the question of negro suffrage in Pennsylvania. Let them rebuke these mis-representatives at the polls.

TAX-PAYERS, bear in mind that the "pasters and folders" swindle was put through by a Radical legislature and approved by Governor Geary. These squanderers of the people's money should be remembered at the polls.

PACKER AND PERSHING are sweeping the State like an avalanche. The corrupt Geary, stands self-condemned before the people and will be sent into merited retirement on the second Tuesday of October.

EXTRAVAGANCE and its natural results, inordinate taxation, are the natural result of Radical rule. Retrench expenses, administer the Government honestly, and taxation will cease.

HONEST men should not forget that the present Governor of this commonwealth is at the head of the most corrupt and unscrupulous "Ring" that ever disgraced a state, or polluted the halls of legislation. The people can break up this "ring" at the polls.

WYOMING TERRITORY, the youngest and fairest of the Territories, is the bright political star in the Democratic firmament. The Democrats there have carried their whole ticket by over eight hundred majority, and the Legislature is unanimously Democratic.

NEW TICKET FOR PHILADELPHIA.—The various nominees for city and county officers in Philadelphia have withdrawn from the field, and a ticket has been placed before the people by the committee. It is a decided improvement on the old one, and will be triumphantly successful.

GEARY sat up till midnight to sign the Herdic act, which abolished an important judicial district. On the night of the 12th of October the people will sign an act that will drive that corrupt executive from power. And all honest men shall shout, Amen!

THE *Inquirer* of last week was filled with the most atrocious falsehoods concerning Judge Packer and Judge Pershing. We have learned enough to know that it is degrading, as well as useless, to reply to a liar and a blackguard.

The *Inquirer* of last week, says that "the expenditures of the federal government for the fiscal year just ended, were $485,000,000 *less* than for the previous year"!!! Why, the *total* expenditures of the government last year were not $485,000,000. The arithmetic man of the *Inquirer* is getting sadly muddled.

ASA PACKER, our candidate for Governor, has given $2,500 for the relief of the suffering families bereaved by the Avondale mine calamity. Mr. Packer has all his life been the friend of the poor and unfortunate, and the above munificent charity still further endears him to the people. Who would vote against so kind hearted a man as Asa Packer.

GOVERNOR GEARY boasted in his Troy speech that he had vetoed more bills than any other Governor of Pennsylvania, and that only one of them became a law over his veto. And yet he says, that he could not prevent special legislation. If his fiat was so omnipotent, why couldn't he? That's all humbug. Geary knows why he did not prevent special legislation.

FOR want of some better lie the radicals have industriously circulated the story that Asa Packer does not pay his taxes. Last year he paid *One Hundred and Seventy Thousand Dollars* in taxes. The radicals are not satisfied with this amount, because it is not large enough to afford them all a chance to steal when it goes into the State Treasury.

THERE is but one way to get rid of the evils which now so grieviously afflict the people of Pennsylvania in the shape of corrupt legislators, a corrupt exercise of the pardoning power and a corrupt use of the money in the public treasury. Remove the cause and you remove these evils. Elect Packer and send honest Democrats to the Legislature. Herein lies the remedy; and we think the people are disposed to apply it.

GRANT, like the wandering Arab, was pitching his tent on some pleasant spot in New York, while his dying Secretary was, with his last breath, continually asking for but one more interview with the President. Long before the junketing executive could make up his mind to forego the pleasures of loyal league dinners, the faithful Rawlins had passed into the dark valley of death. Such heartlessness, as is here shown by Grant, is without a parallel.

MEN who lie will steal. This is proven by the fellows who were sent to the legislature last winter. They lied themselves into office by quoting the language of the Chicaga platform, that the question of suffrage in the loyal States belonged to the people of those States, and when they got to Harrisburg they voted for the Fifteenth Amendment and stole all the money they could lay their hands on. Shall these scamps again be sent to the halls of legislation? Let the *people* answer.

EVERY Pennsylvanian, who has an iota of State pride in his composition, revolts at the idea of having negro suffrage, or any other kind of suffrage, thrust upon their State unless the people have first had an opportunity to express themselves upon the subject. Governor Geary is the representative of the party that is guilty of this very wrong. The last Legislature acted upon the Fifteenth Amendment without having submitted the question to the people in any sense. Will the people submit to this outrage? We think not.

JOHN COVODE boasts he has control of a larger amount of money for electioneering purposes than ever before entrusted to a State Committee. It has been suggested that the "alligator" will retain ninety per cent. for his own expenses.

THE Pittsburg *Dispatch*, a radical paper, just before Geary's re-nomination, said:

The party desires to see the office filled by a man of *more brains* and *less vanity* than *Geary* is said to possess. *Geary* is about the *biggest humbug that ever filled the Gubernatorial chair*, and if it (the party) attempts to carry him it *must sink under the load.*"

Let 'er sink!

ONE of the Ring "organs" of radicalism, in this county, says, while the soldiers were on the field fighting, &c., Mr. Pershing was safely housed at Harrisburg in the Assembly." All true, Mr. "Organ," but while you are at it, just inform your readers where *your* candidate for Judge was during the rebellion. Oh, do tell!

"DURING the war Asa Packer packed his trunks and went to Europe, where he stayed two whole years consorting with rebels."—*Forney's Press.*

Jndge Packer did not go to Europe, until the summer of 1866, and yet this bare-faced falsehood, first appearing in Forney's *Press*, and rehashed by the *Inquirer*, has found a place in perhaps every radical sheet in the state. If any thing were wanting to prove the desperation of the Gearyites, and the utter hopelessness of their cause in the present contest, it is furnished in contemptible efforts at deception such as these.

Where was Packer when the battle of Gettysburg was fought?—*Inquirer.*

Where the editor of the *Inquirer* was, at home. But Judge Packer is an old man, he of the *Inquirer* is a young one. Judge Packer never got the *limps*, for fear he would have to pay commutation money; but kept the families of his employees whilst they were in the army and paid the latter their wages the same as if they had continued to work for him. Shame on such stay-at-home cowards as the editor of the *Inquirer* who now revile Judge Packer, the friend alike of the poor and the soldier!

J. M. RUSSELL, Esq., and JACOB BARNDOLLAR, Esq., the Whig representatives of Bedford county in the Convention which framed the State Constitution, voted to insert the word *White* in that Constitution. After so voting, they submitted their work to the people and the people endorsed it. But J. H. Longenecker and Alex. Stutzman voted to ratify the Fifteenth Amendment, which is intended to strike the word *White* from the Constitution of Pennsylvania, and that, too, without the consent of the people. Will the old Whigs of Bedford county stand where Russell and Barndollar stood, or do they prefer to repudiate their old leaders and accept such blind guides as Stutzman and Longenecker?

INCREASED INTEREST.

During the administration of John W. Geary, and in accordance with recommendation in one of his messages, a new State loan, to take up the old one, was made at 6 per cent per annum. The old loans were at 4, 4½ and 5 per cent. The debt of the State is now about $34,000,000 in round numbers. This increase of the rate of interest compels the people to pay annually $340,000.00 more interest on the State debt than they did before Geary became Governor. We defy any of Geary's friends to deny the truth of what is here asserted. And this increase in the rate of interest was really made merely to enable hungry radicals to bleed the treasury. How is this, Mr. *Inquirer*? Will you deny that the rate of interest on the State debt has been increased as we have stated? Let us have an answer and no dodging.

MAINE!

"Did you hear the news from Maine?"

Even New England Revolts against Radicalism.

The election for state officers in Maine has resulted in a radical loss since last year of *twenty two thousand!* Grant's majority was upwards of 28,000. Now Chamberlain, Radical, is elected Governor, over Smith, Democrat, and Hickborn, Temperance, by a majority of a little upwards of 6,000. The Democrats gain several counties and considerable number of representatives. The lesson of Maine, with its radical loss of 22,000 votes, is that Pennsylvania can and will be redeemed next month. Go to work in good earnest, fellow democrats! Victory is ours, if we but labor to secure it. Forward to the attack?

The honest administration of State and Municipal affairs depends entirely upon the ousting of Radicals in power. The people are aware of this, hence the zeal with which they advocate the election of Asa Packer and Mr. Pershing.

RETRENCHMENT and reform can only be brought about by driving the present office holders from power.

WHY don't the radicals point the farmers to the high prices they are receiving for their products, as they have been doing regularly for the last several years, and appeal to their gratitude to support the party that confers such blessings upon them? Is it because wheat commands but about one dollar and a quarter per bushel now, and money ten to fifteen per cent., whereas two or three years ago their wheat was worth three dollars a bushel, and banks were glad to get six per cent. for their promises to pay? One bushel of wheat would then pay for nine pounds of coffee, now, the grocer hesitates to give four. And yet the radicals say that business is in a flourishing condition.

EXTRAORDINARY SELF IMMOLATION.—*Seventeen Hundred Russians burn themselves to death.*—The following statement appears in the *Pall Mall Gazette*:

All the extraordinary proceedings of the many fanatical sects whose rapid increase has excited so much anxiety in Russia are fairly thrown into the shade by a terrible act of self immolation which is reported from the government of Saratow. A few months ago the prophets of a new religion made their appearance in that part of the empire, preaching self destruction by fire as the only sure road to salvation; and so readily was their dreadful doctrine received by the ignorant and superstitious peasantry that in one large village no less than seventeen hundred persons assembled in some wooden houses, and having barricaded the doors and windows, set the buildings on fire and perished in the flames. The authorities are doing all they can to stay the progress of this new madness, but their task is obviously a difficult one. The punishments which the law can inflict must have little terror for enthusiasts who deliberately choose a death so horrible as this road to heaven.

NEW YORK ILLUSTRATED.—We have just received from D. Appleton & Co., of New York, a very elegant volume, with the above title, containing forty-eight illustrations of scenes in and about New York, including all the principal public buildings, street scenes, Central Park, Jerome Park, and other surburban places. These illustrations are of the finest character, and are handsomely printed on tinted paper. The descriptive matter is very graphic and entertaining, and the work affords a spirited panorama of the great metropolis. The price is only fifty cents, which, remitted to the publishers, will secure a copy, mailed postage paid. It is the most elegant memento of the great city we have seen.

The number, which has eighteen separate articles, ends with enigmas, charades, and a page of "Mother Goose" music. Published by Hurd and Houghton, New York. $2.50 a year.

THE LADY'S FRIEND for October has reached us. The beautiful steel engraving, in this number, illustrates Motherwell's touching balad. SPECIAL NOTICES.

Schenck's Pulmonic Syrup,

Seaweed Tonic and Mandrake Pills, will cure Consumption, Liver Complaint, and Dyspepsia, if taken according to directions. They are all three to be taken at the same time. They cleanse the stomach, relax the liver, and put it to work: then the appetite becomes good; the food digests and makes good blood; the patient begins to grow in flesh; the diseased matter ripens in the lungs, and the patient outgrows the disease and gets well. This is the only way to cure consumption.

To these three medicines Dr. J. H. Schenck, of Philadelphia, owes his unrivalled success in the treatment of pulmonary consumption. The Pulmonic Syrup ripens the morbid matter in the lungs, nature throws it off by an easy expectoration, for when the phlegm or matter is ripe, a slight cough will throw it off, and the patient has rest and the lungs begin to heal.

To do this, the Seaweed Tonic and Mandrake Pills must be freely used to cleanse the stomach and liver, so that the Pulmonic Syrup and the food will make good blood.

Schenck's Mandrake Pills act upon the liver, removing all obstructions, relax the ducts of the gall-bladder, the bile starts freely, and the liver is soon relieved; the stools will show what the Pills can do; nothing has ever been invented except calomel (a deadly poison which is very dangerous to use unless with great care), that will unlock the gall-bladder and starts the secretions of the liver like Schenck's Mandrake Pills.

Liver Complaint is one of the most prominent causes of Consumption.

Schenck's Seaweed Tonic is a gentle stimulant and alterative, and the Alkali in the Seaweed, which this preparation is made of, assists the stomach to throw out the gastric juice to dissolve the food with the Pulmonic Syrup, and it is made into good blood without fermentation or souring in the stomach.

The great reason why physicians do not cure consumption is, they try to do too much; they give medicine to stop the cough, to stop chills, to stop night sweats, hectic fever, and by so doing they derange the whole digestive powers, locking up the secretions, and eventually the patient sinks and dies.

Dr. Schenck, in his treatment, does not try to stop a cough, night sweats, chills, or fever. Remove the cause, and they will all stop of their own accord. No one can be cured of Consumption, Liver Complaint, Dyspepsia, Catarrh, Canker, Ulcerated Throat, unless the liver and stomach are made healthy.

If a person has Consumption, of course the lungs in some way are diseased, either tubercles, abscesses, bronchial irritation, pleura adhesion, or the lungs are a mass of inflammation and fast decaying. In such cases what must be done? It is not only the lungs that are wasting, but it is the whole body. The stomach and liver have lost their power to make blood out of food. Now the only chance is to take Schenck's three medicines, which will bring up a tone to the stomach, the patient will begin to want food, it will digest easily and make good blood; then the patient begins to gain in flesh, and as soon as the body begins to grow, the lungs commence to heal up, and the patient gets fleshy and well. This is the only way to cure consumption.

When there is no lung disease, and only Liver Complaint and Dyspepsia, Schenck's Seaweed Tonic and Mandrake Pills are sufficient without the Pulmonic Syrup. Take the Mandrake Pills freely in all billious complaints, as they are perfectly harmless

Dr. Schenck, who has enjoyed uninterrupted health for many years past, and now weighs 225 pounds, was wasted away to a mere skeleton, in the very last stage of Pulmonary Consumption, his physicians having pronounced his case hopeless and abandoned him to his fate. He was cured by the aforesaid medicines, and since his recovery many thousands similarly afflicted have used Dr. Schenck's preparations with the same remarkable success. Full directions accompanying each, make it not absolutely necessary to personally see Dr. Schenck, unless the patients wish their lungs examined, and for this purpose he is professionally at his Principal Office, Philadelphia, every Saturday, where all letters for advice must be addressed. He is also professionally at No. 32 Bond Street, New York, every other Tuesday, and at No. 35 Hanover Street, Boston, every other Wednesday. He gives advice free, but for a thorough examination with his Respirometer the price is $5. Office hours at each city from 9 A. M. to 3 P. M.

Price of the Pulmonic Syrup and Seaweed Tonic each $1.50 per bottle, or $7.50 a half-dozen. Mandrake Pills 25 cents a box. For sale by all druggists.

Opening—the fall trade.

Democrats don't forget to register.

Corn will soon have its ears pulled.

Corn fodder will be plenty this year.

Cider-making is active among our farmers.

The harvest is past and the summer is ended.

The grapes are getting purple and ripe.

There will be an abundance of nuts of all kinds this fall.

The mountains are looking autumnal around Bedford.

Cooking apple butter is all the go among our housewives.

Topping corn.—Our farmers are already topping their corn.

The days and nights were equal on the 20th inst.

According to the Bloody Run *Press* we have a silver *coronet* band here.

The turnpike company talk of building an iron bridge in the "Narrows."

Read the articles on our first page. They will pay perusal.

Peaches in this county are small owing to the late severe drouth.

Owing to the scarcity of rain, cabbages will not be thick-headed this year.

The weather is exceedingly fine, and the moon is hung out regularly o' nights.

J. M. Cooper, Esq., has purchased the Dr. Scott mansion farm in Fulton county.

Agricultural fairs will soon be held all over the State. Bedford has a fair only once in ten years.

Elliot Ray of M'Connellsburg took up a hill of potatoes containing seventy-one. That was a big *Rays*.

The early train has been taken off the Broad Top road. But one train a day is now run.

You can buy all the best brands of cigars and chewing tobacco at D. W. Crouse's, on Pitt, opposite Juliana st.

General Dullness is visiting Bedford at present. Hope his stay may be short.

Some beautiful shade trees had to make way for the guttering of Juliana Street.

The Bloody Run *Press* has found a man who will vote for Geary *because he takes his whiskey straight*.

One hundred town lots are offered for sale at Bridgeport, by Manly and Donelly.

The Allegheny Synod of the Evangelical Lutheran church, which convened here on the 15th closed its sessions on Monday last.

Sulphite of Lime, used to arrest fermentation of cider, and thus to preserve its sparkling properties—for sale at Heckerman's drug store.

Next saturday township officers will be nominated in every district in the county. Let good men be selected and the tickets put through.

The man who some time ago asserted that Geary is an honest man and fit for Governor has since repented of his folly. He will vote for Packer.

Hoffman, of the Somerset *Democrat*, handled the editor of the Fulton *Republican* without gloves, last week. Served him right. Let him quit his lying.

New postage stamps are to be issued as the last ones do not give satisfaction. The stamps are to be oblong and larger than those now in use. The former color—red—will also be restored.

Governor Geary has pardoned the negro wretch, Cain Norris, who some time ago was convicted at Chambersburg, for outraging three white women. Another endorsement of Article XV.

The Lippincott, Harper, Galaxy, Atlantic, all the illustrated weekly papers and fashion Magazines, and a larger assortment of hymn books and miscellaneous books, can be had at the Inquirer book store.

NICE PRESENT.—Mr. D. L. Deffbaguh, of Bedford tp., sent us eight free stone peaches, each one measuring 9½ inches in circumference. Much obliged. Who will present us with eight or ten more that can beat them?

Judge Findlay, our candidate for Senator, and J. J. Hoffman, Esq., editor of the Somerset *Democrat*, paid us a flying visit on Tuesday. They expressed themselves delighted with the prospects of Democracy.

DEMOCRATIC MEETINGS.—There will be a meeting of the Democracy of the "State" of Southampton, at Cheneysville, Saturday, Sept. 25, at 10 'clock, P. M., and one in the evening at McElfish's mill, at 7 o'clock. Several speakers will be present to address the people. Let there be a good turnout.

SEVERE STORM.—The country along Dunnings creek was visited by a severe storm of hail and rain on Friday afternoon last. Our informant tells us that newly sown fields were utterly ruined, while whole lines of fences were swept away by the rushing waters. At this place it rained moderately.

OUR SCHOOLS.—The public schools in this borough will open on Monday, October 11. The following persons have been selected as teachers: Principal, J. A. Tomlinson. Assistants, Samuel Middleton, Mary Holderbaum, Jennie Smith, Celia Schaffer and Maggie O'Conner.

The Huntingdon *Globe* calls Senator Scott a "disorganizer," while the Fulton *Republican* disgustingly holds that he is "a very trifling Senator." No doubt John Scott will be exceedingly annoyed when he learns what the latter paper thinks of him. By all means "Let us have peace."

ELOCUTIONARY ENTERTAINMENT.—Prof. William Evans, of Pittsburg, will give an entertainment in the Court House, on Thursday evening, the 23d inst., consisting of readings from various authors. Doors open at 7 o'clock. Readings commence at 7.45. Admission 25 cents. Tickets for sale at Inquirer Book Store.

ACCIDENTS.—Mrs. Catharine Tricker, Stonerstown, met with an accident while going to church on a hand-car, last Sunday. Her foot was badly hurt, and the amputation of a toe was found necessary.

On Monday, while Mr. Miles Putt, near Saxton, was mending a sled, it fell, breaking his arm.

To help the waning and utterly hopeless cause of Geary, some radicals are representing that the "Humbuggedest" if elected will help build our railroad. We don't believe a wor dof it. "Hans" no doubt has made enough out of legislative "jobs" to build a small railroad, but he has not enough enterprise in him to invest a dollar in that line.

Persons attending Court next week can have an opportunity of calling at the Inquirer Book Store and examining the following blanks: Blank receipts for the use of Treasurers of School Districts and justices receipts for County taxes, executions, warrents, subpœnas, summonses. All kinds of blanks for school directors, judgment notes, deeds, marriage certificates, &c.

SENATORIAL.—The Radical County Committee met at the Washington Hotel, on Saturday last, and unanimously passed a resolution requesting Aleck Stutzman to withdraw as a candidate for Senator, and pledging the hearty support of Bedford county to any other radical for that office that Somerset may name. This irrepressible conflict is hard on Stutzy. Whether he will be able to stand the pressure, a few days will show. But all this is "love's labor lost." Hiram Findlay is the "coming man." He will just merely "walk over the track." Rings and radicals must "stand from under."

We return thanks to those of our patrons who, during the last few weeks, had the *dates* opposite their *names* on the *yellow slip of paper* pasted on their "GAZETTE" changed to 1 aug. 70, &c., by paying the printer his just dues. There is still a large number of our subscribers who owe us from 1 aug 65, 1 aug 66, 1 aug 67, 1 aug 68 and other dates, to whom we would be obliged if they would pay us, as we stand greatly in need of money at this time. Come, friends, pay over the amount you owe us so as to enable us to pay those whom we owe.

RAILROAD MEETING.—On Wednesday evening, Sept. 29, an important railroad meeting will be held in the court house. Hon. James Worrall, a distinguished engineer, and President of the South Pennsylvania Railroad Company will be present to submit certain propositions to the people of Bedford county, for the construction of a railroad to this place. We cannot too strongly urge the attendance at said meeting of all parties who feel an interest in this matter. It is not necessary for us to dwell upon the importance of early action upon a question so vital to the interests of our citizens. Every man in this community knows and feels that we should have a railroad to this place. We believe that there is a disposition among capitalists in other sections of the state to assist us in developing the resources of our county, and it only remains for us to show that we are willing and ready to *help ourselves first*. Let the meeting on the 29th prove that we are in *earnest*, and then the time will soon come when we will cease *talking* railroad, but will have the thing itself with all its advanteges and benefits. *Action* is now the word.

The London *Telegraph* says that if America recognizes the independence of Cuba because she cannot remain indifferent to the struggles of a friendly people, the world will regard it as a conspicuous exculpation of England from responsibility to America in the matter of the late Southern Confederacy.

An Arkansas man asks you to imbibe by saying, "shoot me in the neck." If you refuse, he shoots you through the head.

Three white persons and twenty Indians were killed in the last Arizona fight.

A CARD.—*To the Citizens of Bedford County without Distinction of Party.*—The undersigned tax-payers, who are opposed to the erection of an expensive Poor House on the present Poor House property, give notice that there will be a meeting of voters without distinction of party, at the Grand Jury Room of the Court House, in Bedford, on Wednesday evening, September 29th, 1869, to consider whether any, and if any, what steps shall be taken by the people, in the premises.

Messrs P. H. Drake & Co., proprietors of the Plantation Bitters, are said to be the largest importers of St. Croix Rum and Calisaya Bark in America. The Rum imported by this Firm, is all used in the preparation of their Bitters, and is manufactured under the immediate supervision of one of their agents, upon leased plantations on the Island of St. Thomas. Over nine thousand puncheons, about one million gallons, is used annually for their Bitters alone. The Calisaya Bark is all imported from Brazil, and is also gathered and selected by the natives, under the supervision of an agent sent out for that porpose. The cures produced by these Bitters are wonderful.

WEIMER—On the 14th inst., at the residence of her father, Michael Holderbaum, of Bedford tp., Mrs. Sue H., wife of Mr. H. G. Weimer, of Cumberland Md.

The subject of this notice is worthy of more than a mere passing remark. She was one of those who are ornaments to their sex and who are the excellent of the earth. She was on a visit to her parents where she expected to spend a few weeks, in the pleasurable engagement of the scenes and the associations of her childhood and youth. But, (how strange the ways of Providence,) whilst on the way, she was pierced by a fatal arrow of disease, and after many weeks of intense suffering which was borne with an entire resignation to the will of God, she was called home to her Father's house in Heaven, in the 26th year of her age. She has left her sorrowing husband, her interesting infant daughter, her family and a large circle of friends and relations to mourn her early departure of this life. She was a sincere and intelligent Christian. In her youth she made a profession of faith in Christ and united with the Reformed Church at Bedford, to which her parents belonged. After her marriage, she with her husband, united with the Lutheran Church at Cumberland, where she soon gathered around her many warm and admiring friends. She always adorned her profession with her consistent walk and conversation. Though she has now gone, yet she has left the record of a spotless life and the influence of her many virtues, as a rich legacy, to comfort and cheer the hearts of those who mourn for her.

"If any person or persons shall make any bet or wager upon the result of an election within the commonwealth, or shall offer to make any such bet or wager, either by verbal proclamation thereof, or by any written or printed advertisement, or invite any person or persons to make such bet or wager, upon conviction thereof he or they shall forfeit and pay three times the amount so bet or offered to be bet.

And the election laws of the commonwealth further provide that "The Inspectors, Judges and clerks shall, before entering on the duties of their offices, severally take and subscribe the oath or affirmation hereinafter directed, which shall be administered to them by any judge, alderman or justice of the peace, but if no such magistrate be present, one of the inspectors of the election shall administer the oath or affirmation to the other judge and inspector, and then the inspector so qualified shall administer the oath or affirmation to him.

"The inspectors, judge and clerks required by law to hold township and general elections, shall take and subscribe the several oaths and affirmations, required by the 19th, 20th and 21st sections of the act of the 2d day of July 1839, entitled "An act relating to the elections of this commonwealth," which oaths or affirmations shall be prepared and administered in the manner prescribed in the 18th aed 22d sections of said act, and in addition to the power conferred by the 18th section of said act, the judge, or either of the inspectors, shall have power to administer the oaths prescribed by said act, to any clerk of a general, special or township election.

"The following shall be the form of the oath or affirmation to be taken by each inspector, viz: 'I (A. B.) do——that I will duly attend to the ensuing election during the continuance thereof, as an inspector, and that I will not receive any ticket or vote from any person, other than such as I shall firmly believe to be, according to the provisions of the constitution and the laws of this commonwealth, entitled to vote at such election, without requiring such evidence of the right to vote as is directed by law, nor will I vexatiously delay or refuse to receive any vote from any person who I shall believe to be entitled to vote as aforesaid, but that I will in all things truly, impartially and faithfully perform my duty therein, to the best of my judgment and abilities, and that I am not directly, nor indirectly, interested in any bet, or wager on the result of this election.'

"The following shall be the oath or affirmation of each judge, viz: 'I (A. B.) do——that I will as judge duly attend the ensuing election during the continuance thereof, and faithfully assist the inspectors in carrying on the same; that I will not give my consent that any vote or ticket shall be received from any person other than such as I firmly believe to be, according to the provisions of the constitution and laws of this commonwealth, entitled to vote at such election, without requiring such evidence of the right to vote as is directed by law, and that I will use my best endeavors to prevent any fraud, deceit or abuse, in carrying on the same by citizens qualified to vote, or others, and that I will make a true and perfect return of the said election, and will in all things truly, impartially and faithfully perform my duty respecting the same, to the best of my judgment and abilities, and that I am not directly or indirectly interested in any bet or wager on the result of this election.'

"The following shall be the form of the oath or affirmation to be taken by each clerk, viz: 'I (A. B.) do——that I will impartially and truly write down the name of each elector who shall vote at the ensuing election, which shall be given me in charge, and also the name of the township, ward or district, wherein such elector resides, and carefully and truly write down the number of votes that shall be given for each candidate at the election, as often as his name shall be read to me by the inspectors thereof, and in all things truly and faithfully perform my duty respecting the same to the best of my judgment and ability, and that I am not directly or indirectly interested in any bet or wager on the result of this election.'

OUR NEW FAMILY SEWING MACHINE.

The superior merits of the "Singer" Machines over all others, for either Family use or Manufacturing purposes, are so well established and so generally admitted, that an enumeration of their relative excellences is no longer considered necessary.

OUR NEW FAMILY MACHINE,

which has been brought to perfection regardless of time, labor, or expense, is now confidently presented to the public as incomparably the Best Sewing Machine in existence. The machine in question is Simple, Compact, Durable and Beautiful. It is quiet, light running, and

CAPABLE OF PERFORMING A RANGE AND VARIETY OF WORK

never before attempted upon a single Machine,—using either SILK, TWIST, LINEN OR COTTON THREAD, and sewing with equal facility the very finest and coarsest materials, and anything between the two extremes, in the most beautiful and substantial manner. Its attachments for Hemming, Braiding, Cording, Tucking, Quilting, Felling, Trimming, Binding, etc., are Novel and Practical, and have been invented and adjusted especially for this Machine.

New designs of the Unique, Useful, and Popular Folding Tops and Cabinet Cases, peculiar to the Machines manufactured by this Company, have been prepared for enclosing the new Machine.

A faint idea, however, can at best be conveyed through the medium of a (necessarily) limited advertisement; and we therefore urge every person in quest of a Sewing Machine, by all means to examine and test, if they can possibly do so, all the leading rival Machines before making a purchase. A selection can then be made understandingly. Branches or agencies for supplying the "Singer" Machines will be found in nearly every city and town throughout the civilized world, where Machines will be cheerfully exhibited, and any information promptly furnished. Or communications may be addressed to

MIDDLETON'S

WONDERFUL PAIN CURES

A sure remedy for Rheumatism, Neuralgia, Lumbago, Growing Pains, Sprains, Bruises, Stiffnes, of the Joints and all similar diseases.

This wonderful remedy is composed entirely of vegetable ingredients. There are no injurious substances used in its manufacture.

For assurance of its excellent properties, read the following certificates:

BEDFORD, May 8, 1869.

I take great pleasure in giving my testimony to the value of "Middleton's Wonderful Pain Cure." I have been a martyr to Rheumatism. For two months previous to Feb. 25th, last, I was suffering intensely with pain so severe, that during all that time I had not one night of comfortable sleep. I could not put my hands to my face, could not comb my own hair, nor feed myself; but after having the Pain Cure applied once, I found relief enough to give me comfortable sleep, and with its steady use, I continued to get better, and now at the end of ten weeks from its first application, I have comparatively free use of my hands, sleep well and can attend to business. It has done me more good than all other medicines I have ever used put together, and I cheerfully give this certificate of its value.

ELI M. FISHER.

BEDFORD, April 14, 1869.

Mr. W. W. Middleton,

This is to certify that I was taken with Rheumatism, in my right shoulder, on the evening of the 8th inst., so that I was unable to raise my hand to my face. I got some of your Pain Cure and applied it twice, and was entirely relieved. I would recommend to every one who suffers with Rheumatism to give it a trial and be cured.

Yours &c., A. F. MILLER.

BEDFORD, May 17, 1869.

Mr. Middleton,

DEAR SIR —I have used several bottles of your medicine in my family, and find it to be all you claim for it. Yours, truly,

JOHN HAFER.

BEDFORD, May 13, 1869.

This is to certify that I have used "Middleton's Pain Cure," for Rheumatism, and was very much benefited by it. JOHN HARRIS.

BEDFORD, May 18, 1869.

This is to certify that I have used Middleton's Liniment, for the Rheumatism which I had in my right shoulder so bad that I could not get my hand to my head without great pain, and after a few applications was entirely relieved.

L. F. DART.

BEDFORD, May 1, 1869.

Mr Middleton,

Dear Sir:— Mrs. Bowser was in much suffering for some four weeks with Rheumatism, and got some of your Pain Cure, and the first night I applied it it eased the pain; and after keeping on using it for two weeks, she was restored to health. I feel it to be my duty, as it is a pleasure, to write this recommendation for the benefit of others. JACOB BOWSER.

BEDFORD, May 16. 1869.

Mr W. W. Middleton:

Sir—I procured a bottle of your Liniment for Rheumatism, and it gives me great pleasure in saying that after using it for two days, my rheumatism was completely relieved. My sister was suffering, at the same time, with Inflamatory Rheumatism in her right hand and wrist—after using it for several days she was relieved. I consider it the best remedy I ever heard of.

JOHN KEEFE.

BEDFORD, May 24, 1869.

This is to certify that I have used one bottle of Middleton's Liniment, for Rheumatism, and think it a good cure, and would recommend it to all persons that are afflicted with the above disease.

AUGUSTUS CARVER.

BEDFORD, May 26, 1869.

Mr. Middleton:

Sir—I procured one bottle of your medicine and used one-half of it for Rheumatism, which effected a permanent cure up to this time. I cannot hesitate in saying that it is the best remedy I ever used. A. B. CARN.

This excellent PAIN CURE is prepared only by W. W. MIDDLETON, Bedford, Pa., to whom all orders for the medicine should be addressed.

NATURE'S GREAT RESTORER.

SCHEETZ'S

CELEBRATED

BITTER CORDIAL.

This medical preparation is now offered to the public as a reliable substitute for the many worthless compounds which now flood the market. It is purely vegetable, composed of various herbs, gathered from the great storehouse of nature, and selected with the utmost care. It is not recommended as a CURE ALL, but by its direct and salutary influence upon the Heart, Liver, Kidneys, Lungs, Stomach and Bowels, it acts both as a preventive and cure for many of the diseases to which those organs are subject. It is a reliable Family Medicine, and can be taken by either infant or adult with the same beneficial results. It is a certain, prompt and speedy remedy for DIARRHŒA, DYSENTERY, BOWEL COMPLAINT, DYSPEPSIA, LOWNESS OF SPIRITS, FAINTINGS, SICK-HEADACHE, &c. For Chills and Fevers of all kinds, it is far better and safer than quinine, without any of its pernicious effects. It creates an appetite, proves a powerful digester of food, and will counteract the effects of liquor in a few minutes.

AYER'S
HAIR VIGOR,
FOR THE RENOVATION OF THE HAIR.
THE GREAT DESIDERATUM OF THE AGE.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. Faded or gray hair is soon restored to its original color and the gloss and freshness of youth. Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a

HAIR DRESSING,

nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts longer on the hair, giving it a rich glossy lustre and a grateful perfume.

AYER'S CATHARTIC PILLS,
For all the purposes of a Laxative Medicine.

Perhaps no one Medicine is so universally required by everybody as a cathartic, nor was ever any before so universally adopted into use, in every country and among all classes, as this mild but efficient purgative Pill. The obvious reason is, that it is a more reliable and far more effectual remedy than any other. Those who have tried it, know that it cured them; those who have not, know that it cures their neighbors and friends, and all know that what it does once it does always—that it never fails through any fault or neglect of its composition We have thousands upon thousands of certificates of their remarkable cures of the following complaints, but such cures are known in every neighborhood, and we need not publish them. Adapted to all ages and conditions in all climates; containing neither calomel or any deleterious drug, they may be taken with safety by anybody. Their sugar coating preserves them ever fresh and makes them pleasant to take, while being purely vegetable no harm can arise from their use in any quantity.

They operate by their powerful influence on the internal viscera to purify the blood and stimulate it into healthy action—remove the obstructions of the stomach, bowels, liver, and other organs of the body, restoring their irregular action to health, and by correcting, wherever they exist, such derangements as are the first origin of disease.

Minute directions are given in the wrapper on the box, for the following complaints, which these Pills rapidly cure:—

For DYSPEPSIA OR INDIGESTION, LISTLESSNESS, LANGUOR and Loss of Appetite, they should be taken moderately to stimulate the stomach and restore its healthy tone and action.

For LIVER COMPLAINT and its various symptoms, BILLIOUS HEADACHE, SICK HEADACHE, JAUNDICE or GREEN SICKNESS, Bilious Colic and Bilious Fevers, they should be judiciously taken for each case, to correct the diseased action or remove the obstructions which cause it.

For DYSENTERY or DIARRHŒA, but one mild dose is generally required.

For RHEUMATISM, GOUT, GRAVEL, PALPITATION OF THE HEART, PAIN IN THE SIDE, BACK and LOINS, they should be continuously taken, as required, to change the diseased action of the system. With such change those complaints disappear.

For DROPSY and DROPSICAL SWELLINGS they should be taken in large and frequent doses to produce the effect of a drastic purge.

For SUPPRESSION a large dose should be taken as it produces the desired effect by sympathy.

As a DINNER PILL, take one or two pills to promote digestion and relieve the stomach.

An occasional dose stimulates the stomach and bowels into healthy action, restores the appetite, and invigorates the system. Hence it is often advantageous where no serious derangement exists. One who feels tolerably well, often finds that a dose of these PILLS makes him feel decidedly better, from their cleansing and renovating effect on the digestive apparatus.

The Waters' Pianos are built of the very best and most thoroughly seasoned material.—*Advocate and Journal.*

Our friends will find at Mr. Waters' store the very best assortment of Pianos, Melodeons and Organs to be found in the United States.—*Graham's Magazine.*

MUSICAL DOINGS.—Since Mr. Waters gave up publishing sheet music, he has devoted his whole capital and attention to the manufacture and sale of Pianos and Melodeons. He has just issued a catalogue of his new instruments, giving a new scale of prices, which shows a marked reduction from former rates, and his Pianos have recently been awarded the First Premium at several Fairs. Many people of the present day, who are attracted, if not confused, with the flaming adeertisements of rival piano houses, probably overlook the modest manufacturer like Mr. Waters; but we happen to know that his instruments earned him a good reputation long before Expositions and "honors" connected therewith were ever thought of; indeed, we have one of Mr. Waters' Pianofortes now in our residence (where it has stood for many years,) of which any manufacturer in the world might well be proud. We have always been delighted with it as a sweet-toned and powerful instrument, and there is no doubt of its durability; more than this, some of the best amateur players in the city, as well as several celebrated pianists, have performed on the same piano, and all pronounce it a superior and first-class instrument. Stronger endorsement we could not give.—*Home Journal.* jan15,'69.

AYER'S SARSAPARILLA,
FOR PURIFYING THE [BL]OOD.

The reputation this excellent medicine enjoys, is derived from its cures, many of which are truly marvellous. Inveterate cases of Scrofulous disease, where the system seemed saturated with corruption, have been purified and cured by it. Scrofulous affections and disorders, which were aggravated by the scrofulous contamination until they were painfully afflicting, have been radically cured in such great numbers in almost every section of the country, that the public scarcely need to be informed of its virtues or uses.

Scrofulous poison is one of the most destructive enemies of our race. Often, this unseen and unfelt tenant of the organism undermines the constitution, and invites the attack of enfeebling or fatal diseases, without exciting a suspicion of its presence. Again, it seems to breed infection throughout the body, and then, on some favorable occasion, rapidly develops into one or other of its hideous forms, either on the surface or among the vitals. In the latter, tubercles may be suddenly deposited in the lungs or heart, or tumors formed in the liver, or it shows its presence by eruptions on the skin, or foul ulcerations on some part of the body. Hence the occasional use of a bottle of this Sarsaparilla is advisable, even when no active symptoms of disease appear. Persons afflicted with the following complaints generally find immediate relief, and, at length, cure, by the use of this Sarsaparilla: St. Anthony's Fire, Rose or Erysipelas, Tetter, Salt Rheum, Scald Head, Ringworm, Sore Eyes, Sore Ears, and other eruptions or visible forms of Scrofulous disease. Also in the more concealed forms, as Dyspepsia, Dropsy, Heart Disease, Fits, Epilepsy, Neuralgia, and the various Ulcerous affections of the muscular and nervous systems.

Syphilis or Venereal and Mercurial Diseases are cured by it, though a long time is required for subduing these obstinate maladies by any medicine. But long continued use of this medicine will cure the complaint. Leucorrhoea or Whites, Uterine Ulcerations, and Female Diseases, are commonly soon relieved and ultimately cured by its purifying and invigorating effect. Minute Directions for each case are found in our Almanac, supplied gratis. Rheumatism and Gout, when caused by accumulations of extraneous matters in the blood, yield quickly to it, as also Liver Complaints, Torpidity, Congestion or Inflammation of the Liver, and Jaundice, when arising, as they often do, from the rankling poisons in the blood. This SARSAPARILLA is a great restorer for the strength and vigor of the system. Those who are Languid and Listless, Despondent, Sleepless, and troubled with Nervous Apprehensions or Fears, or any of the affections symptomatic of Weakness, will find immediate relief and convincing evidence of its restorative power upon trial.

Miscellaneous.

AYER'S CHERRY PECTORAL,
For Diseases of the Throat and Lungs, such as Coughs, Colds, Whooping Cough, Bronchitis, Asthma, and Consumption.

Probably never before in the whole history of medicine, has anything won so widely and so deeply upon the confidence of mankind, as this excellent remedy for pulmonary complaints. Through a long series of years, and among most of the races of men it has risen higher and higher in their estimation, as it has become better known. Its uniform character and power to cure the various affections of the lungs and throat, have made it known as a reliable protector against them. While adapted to milder forms of disease and to young children, it is at the same time the most effectual remedy that can be given for incipient consumption, and the dangerous affections of the throat and lungs. As a provision against sudden attacks of Croup, it should be kept on hand in every family, and indeed as all are sometime subject to colds and coughs, all should be provided with this antidote for them.

Although settled Consumption is thought incurable, still great numbers of cases where the disease seemed settled, have been completely cured, and the patient restored to sound health by the Cherry Pectoral. So complete is its mastery over the disorders of the Lungs and Throat, that the most obstinate of them yield to it. When nothing else could reach them, under the Cherry Pectoral they subside and disappear.

Singers and public Speakers find great protection from it.

Asthma is always relieved and often wholly cured by it.

Bronchitis is generally cured by taking the Cherry Pectoral in small and frequent doses.

So generally are its virtues known that we need not publish the certificates of them here, or do more than assure the public that its qualities are fully maintained.

AYER'S AGUE CURE,

For Fever and Ague, Intermittent Fever, Chill Fever, Remittent Fever, Dumb Ague, Periodical or Billious Fever, &c., and indeed all the affections which arise from malarious, marsh, or miasmatic poisons.

As its name implies it does Cure, and does not fail. Containing neither Arsenic, Quinine, Bismuth, Zinc, nor any other mineral or poisonous substance whatever, it in no wise injures any patient. The number and importance of its cures in the ague districts, are literally beyond account, and we believe without a parallel in the history of Ague medicine. Our pride is gratified by the acknowledgments we receive of the radical cures effected in obstinate cases, and where other remedies had wholly failed.

Unacclimated persons, either resident in, or traveling through miasmatic localities, will be protected by taking the AGUE CURE daily.

For Liver Complaints, arising from torpidity of the Liver, it is an excellent remedy, stimulating the Liver into healthy activity.

For Bilious Disorders and Liver Complaints, it is an excellent remedy, producing many truly remarkable cures, where other medicines had failed.

Prepared by DR. J. C. AYER & Co., Practical and Analytical Chemists, Lowell, Mass., and sold all round the world.
